

Owner Op-portunities

We are looking for owner operators in the Hammond IN area for regional hauling in Indiana, Kentucky, Ohio, Illinois, and Michigan. Equipment required is a flatbed, flat with sides, or conestoga (rental trailers available) with chains, binders, straps, steel tarps and coil racks. Hauling mostly steel coils, sheets, and tubing, most loads will stay within a 250 mile radius of origin, with some local opportunities available also.

With great rates, same day settlements, and no hidden fees, **Cardinal Transport** offers one of the best owner operator programs in the industry. To learn more about this opportunity, call Jesse at (800)888-4995 ext 7137, or email jmarin@cardinaltransport.com

Owner Op-portunities

*We are looking for owner operators in the Houston TX area for regional hauling. Equipment required is a 48' flatbed or stepdeck (rental trailers available) with chains, binders, straps, steel tarps and coil racks, TWIC card preferred. This is a great opportunity to pursue your career as an owner operator, while still being home most nights and weekends as most of this freight stays within Texas. With great rates, same day settlements, and no hidden fees, **Cardinal Transport** offers one of the best owner operator programs in the industry. To learn more about this opportunity, call Victor at (713)672-9500, or email*

victorm@cardinaltransport.com
